

Catering for exhibitors

Everything for those with good taste! Together with our service partners, we can help you realize your event—from stand parties to festive evening gatherings. Our catering specialists will spoil your guests in keeping with your exact culinary wishes.

Full-service offers for your event

Our MMI Event department will advise you and then develop a concept for and realize any type of event. Our full-service portfolio gives you access to professional organization for large-scale customer events, conferences, exclusive evening gatherings and unique incentive events.

Catering

Our service partners will satisfy your every desire—from snacks to a five-course meal. Whether you invite guests to join you last minute or want to celebrate a large-scale party, have a penchant for Bavarian specialties or prefer international dishes—your guests will really want to experience the culinary delights of our catering services.

So make a name for yourself as an attentive host. Practically every decor, every style of cuisine and every type of food and beverage are possible. We definitely recommend contacting us early. Our service partners would be glad to recommend ways to make your event a genuine catered success.
