

A big plus for your presentation.

They are among the industry's most sought-after square meters—the 614,000 m² of bauma 2019. Our response to the huge demand? bauma PLUS. This new participation concept provides additional exhibition opportunities beyond the traditional booths. The advantages? Direct contact to your target group. Attractive all-in-one packages. Innovative digital extra services. In short: minimum effort—maximum effect. Are you in?

In the thick of it: bauma PLUS ONSITE.

More than an exhibition space: a community. Benefit from our new platform—and its synergies—to make your attendance a success.
