

The entire industry. In one hot spot.

The World's Leading Trade Fair bauma gives you a complete overview. All branches of industry and sectors are represented at the fair. bauma's exhibits are in four categories, i.e. construction machinery, building-material machines, mining machines, construction vehicles and equipment.

Let's meet again

bauma

Date: Apr 4 - 10, 2022

All around construction sites

- Construction vehicles
 - Construction machines
 - Lifting appliances and conveyors
 - Construction equipment, tools and special systems
 - Handling and processing concrete and mortar at construction sites
 - Formwork and scaffoldings
 - Site installation
- Construction site safety
- Construction monitoring
- Digital construction site

Mining, extraction and processing of raw materials

- Machines for extraction of raw materials and for mining
 - Handling of raw materials
 - Mineral processing (incl. coke oven equipment)
- Mining exhibition
- Machines for mining and extraction of raw materials
- Mining

Production of building materials

- Manufacture of cement, lime and gypsum compounds for building materials
- Machines and systems for producing concrete, concrete products and pre-fabricated components and 3D printing
- Machines and plants for producing asphalt
- Machines and plants for producing pre-mixed dry mortar, plaster, screed and building supply store products
- Machines and plants for producing lime sandstone and building products using power plant residue (fly ash, slag, etc.)
- Machines and systems for producing gypsum and gypsum plasterboard
- Building material handling and packaging (in a plant)

Components and service suppliers

- Transmission engineering, fluid technology and power generation units
- Accessories and wear parts
- Machines and systems for additive manufacturing, 3D printing of wearing parts
- Services
- Test, measurement and process control engineering
- Communication and navigation
- Job safety
